

Melrose Business Park

Walla Walla, Washington

The Melrose Business Park is 30 acres of industrial zoned property owned by the Port of Walla Walla. The Park is adjacent to U.S. Highway 12 & Walla Walla Regional Airport. The Park has excellent truck and rail access and is ideal for light manufacturing or warehouse distribution. The Park is site ready, zoned correctly for industrial development and/or warehouse distribution, and the Port has completed Phase 1 & 2 environmental mitigation on the site.
